Are you interested in our College Bound Program that includes prep for PSAT /SAT1? Since we arrange students in classes according their skill level please complete this registration form and mail it to us as soon as possible. Timetables detailing the allotted class slot for our test prep sessions will be mailed out to by first week of July.

By completing this registration form you are confirming that your child will be participating in our 12-13 week PSAT/SAT1 prep classes. Please note that since we cap our classes at eighteen students per class, **it is important we receive this registration form together with a down payment of \$100 to reserve a slot.** Typically, we have a waiting list of students who want to join our program; a completed registration form allows us to hold the slot for your child. Once you have joined the program all fees are non-refundable. If you have any questions, please do not hesitate to call or email us. Thank you.
