

Here is why NCAS Learning Center is the best!

- ▶ All our SAT and PSAT test prep classes run for a full 13 weeks.
- ▶ Classes are held on the weekend. Each weekly class includes a 90-minute English and a 90-minute Math session taught by highly qualified and motivated teachers with over eighteen years of individual test-prep teaching experience.
- ▶ Typical class size: 15–18 students.
- ▶ Students in every class are matched at the same skill level for a better learning experience.
- ▶ Makeups are offered for missed classes.
- ▶ Teachers are directly accessible to both students and parents outside class hours.
- ▶ Students and parents have full access to our highly experienced college counselor who will gladly answer any questions.
- ▶ Our Learning Center is exclusively designed to provide a top-notch learning environment.

COLLEGE BOUND PROGRAM

NCAS Learning Center's reputation in the community serves as our best reference. In fact, many teachers and school administrators recommend our programs to parents and students, while also enrolling their own children in our program.

About NCAS Learning Center

NCAS Learning Center was established in 1990 and since then has been offering **intensive pre-college training programs** to high school students. Our **COLLEGE BOUND PROGRAM** is especially designed to guide both parents and students through the different facets of college education including one-on-one educational counseling, test preparation, college guidance, college admissions and applications, and financial aid advice.

The results our students have attained over the years speak for the success of our programs. For the PSAT and SAT tests, students have raised their scores anywhere from 200 to 400 points. Many of our students have also won college academic scholarships ranging from \$4,000 to full tuition at some of the most competitive and prestigious colleges and universities in the United States.
